A Loving Family, Growing in Faith, Sharing the Hope...of Christ!

Pastor Karen's Christmas Message

So, you want to have a perfect "old fashioned" Christmas" this year? ...A Christmas where no one argues ...Where all the Christmas gifts are exactly what everyone wants ...And where decorations and delicacies attain Martha Stewart perfection?

Are you sure that's what you really want?

My best Christmas Eve memories growing up, would not be complete without images of my brother, Don, trying to get my mother's goat with his fake vomit / whoopee cushion routines... Or my dog, Louie, biting at least one of us in a fit of canine hyper-holiday stimulation ... And of course... I endured many a "come-to-Jesus-chat" for spitting into the fireplace to cool the flames for Santa's arrival.

The things we remember with special fondness are rarely the things that go right; which should ease the guilt for all you who suffer OCD or Perfectionism. You don't need to be perfect to be loved by God.

Christmas is about God's peace coming to dwell amongst us in the midst of our imperfections. After all, that first Noel was flawed by any standard. No woman would willingly choose to ride a donkey in her ninth month of pregnancy or give birth surrounded by farm animals.

While the inconveniences and indignities of that holy journey may have fallen short of human expectations, they were part of God's plan.

Christmas should never be focused on what goes right; it's about where God is when ***nothing*** goes right. Christmas is all about God's love in-the-flesh, sent to redeem a fallen world. Everything else is just as Luther said – ADIAPHORA – stuff that really doesn't matter.

God's blessings were never meant as acknowledgment for our accomplishments. His peace is not a reward for our behavior. Writes Ginger Garrett, "Christ did not need us to finish our work before He could save us. God's salvation has always found us in the most unlikely of places and conditions — even kneeling at a manger in a filthy stable."

The Father chose a barn – not a palace for the birth of His Son. He gave him simple every-day parents, not privileged upper class intelligentsia, to nurture Him into adulthood; and chose low life shepherds to sing his first lullabies. God gave us Jesus on His terms – not to satisfy any preexisting human expectations. That first Christmas morning was far more than human perfection. It was the carefully anticipated culmination of God's plan made with Jesus at the beginning of time (In the beginning was the Word and the Word was with God and the Word was God… John 1:1).

When your body becomes weary, and your checkbook is drained of resources, and if a famous Erie snowstorm erases any possibility of greeting family or beloved friends… Remember that Christmas is not about presents or parties or even the best-ever holiday dinner… Christmas gives you permission to enter the stable where Jesus rests and worship his glorious presence. The true discovery, for those who have eyes to see and ears to hear…is that Christmas is right where you are – wherever you happen to be… How do I know that? Because last year, I was in the hospital on Christmas… and right there – where I was – Christ snuggled close to my heart and said… "You are loved forever and for always. Wherever you go I will be with you – no matter what.

Reject the false promises of outrageous expectations. It's time to anticipate God's most precious gift of peace: Jesus – Emanuel – God is with us!

Thank You, Abiding Hope. A wonderful first time Election Day Bake Sale was a success. So many wonderful baked goods were donated and even more wonderful people who donated $ beyond expectations. $439.10 was raised to help with current expenses and outreach to our area worth millions.

Additional thanks for all the donations of clothing and more. Trips were made to Chosen, with shoes and medical items, Trinity Outreach and Bethany Outreach with clothing in marked bags. Also, I was able to take clothing and donated personal items to the City Mission. Please know each drop off is welcomed and appreciated. Once again, Abiding Hope members' generosity touching lives throughout Erie. – Analee

Recap of November 10, 2026, Council Meeting

As we come to the close of another year of being your council, we find there are 2 openings on council. Joining this group is a positive step to keeping Abiding Hope strong. A meeting once a month, joining the counting team once a month after service, reading your emails and most importantly adding your wisdom and guidance is all that is required. Please consider becoming a council member.

- Sunday Bible Study continues strong as they discuss the book of Revelation
- Christmas Cantata December 20 at 2pm with Our Lady of Peace choir
- A non-member young couple have talked to Pastor about getting married here in June 2027
- Returned pledge cards behind other years
- New lights in Sanctuary and thanks to Rich for changing furnace filters and Andy for installing Carbon Monoxide detectors.
- Review of inactive members. Letters being sent to members requesting they contact us.
- Denise on vacation December 7 - 8 - 9.

As we closed another meeting with our prayer list and reflection, we all left thankful.

Respectfully submitted by Analee/Council Secretary.

Prayer Warriors

There will be no Prayer Warrior gathering in December, but please remember we are admonished in Thessalonians 5:17 to "Pray constantly". There is so much need within our neighborhood, community, state, nation and world that could use your prayers. And what better time to 'rev up' your prayer life than during Advent?

Little Jesus Project

Do you ever wonder at the impact our church has experienced regarding this Little Jesus Project? Two stories have been shared with me this month:

One of our parishioners was supporting a friend who was getting her first tattoo. When she entered the shop, there on the counter stood a Little Jesus, accompanied with our Abiding Hope business card!

Another member of our congregation takes a Little Jesus to the gym with him throughout the week and leaves it in the men's restroom. The next visit? It is gone! And so, he leaves another one!

Who would ever guess this "little" project could be spreading the news of Jesus to such a large amount of people? Our congregation has distributed over 400 "Little Jesus" since its start! (If you also have a story, please share it with me!)

You will find the "Little Jesus" packets in a basket under the Narthex monitor. Take as many as you like to distribute—and remember to pray for the person who "finds a Little Jesus"!

Little Free Library: There is continual activity at our Little Library, and it is especially rewarding to see parents with their children selecting books and educational packets, provided with your generous donations. We also have many adult visitors who take and donate books, browsing for as long as half an hour before making a final selection. Interestingly, during the night the camera notification often awakes me to the presence of deer and coyotes! They do no harm and typically saunter away through the grass.

Thanks to the Erie City Mission and our own Kearsarge Area Food Pantry, we also provide clear directions for anyone who might be in need of food or other assistance.

Many thanks for all your support! We have a large supply of books at the moment, but you are still welcome to place any you may have in the bin labeled on the Heritage Room shelf! Please feel free to browse the library yourself for some good reading selections!

2027 Offering Envelope boxes will be available by mid-December. There are extra boxes available if you do not find one in your church mailbox in the Heritage Room. The first envelope in the box (Initial Envelope) is to help offset the cost of the envelopes.

Thank you for your generous contributions and pledges. Our church would not be here without your continued financial support.

Christmas at Bethesda 2026

Make a child's Christmas wish come true

This holiday season, Bethesda Lutheran Services is looking for generous hearts and holiday helpers to bring the magic of Christmas to the children and youth they serve.

Many of the more than 200 children they provide gifts for, have never experienced the joy and warmth of a true holiday celebration.

With your help, Abiding Hope can once again change that and provide them a Christmas they deserve!

Bethesda Christmas notes to remember:

1. Our Residential Youth are currently female
2. We do have boys though with our Alternative Education program
3. All gifts must be unwrapped so our staff can see what is being given and check for safety concerns. No sharp objects should be given, like nail files, razors, crochet needles etc.
4. Please don't feel obligated to purchase name-brand items, our children will be happy with all presents! Gift cards also appreciated.
5. Deadline for gifts to AHLC: Sunday, December 6th (church office closed this week)

Thank you, Abiding Hope, for your generosity.

A Christmas at Bethesda Wish List is available in the narthex.

Flower arrangements for Sunday worship: Weekly sign-up and request forms are on the table in narthex. Arrangements: $25.00ea. Please place the completed form and payment in the offering plate or deliver to the office by the Monday prior your chosen Sunday.

Care & Share on Hiatus Thursday afternoon meetings are on a Christmas hiatus for December and will return on Thursday, January 7th @ 1:00.

Prayer Shawl Gatherings

Ladies meet for prayer, good conversation, knitting or crocheting shawls, prayer squares, or lap robes for the homebound. Start a new project or complete a piece you've started, but not quite finished. Experience not necessary, yarn and instruction available to all. November meetings: Monday the 7th and 11th at 12 noon.

KAFP Christmas Giving: The number of bi-monthly shoppers KAFP serves grows every month, while Second Harvest's food purchasing options have reduced substantially. We are having to spend more money each month to provide enough food for our "shoppers". As we gain more families at each shopping event, and spend more money to purchase this food, it is critical your donations keep pace with the needs of our community.

This holiday season we are asking, once again, for your donations to get us through this critical holiday season. Your donations will help us purchase bread, vegetables, fruit, eggs, dairy products and meat to meet our growing needs.

Your generous contributions have enabled KAFP to continue this life sustaining gift of food to those in need. God bless you all.

Blue Christmas Memorial Service

Saturday, December 12th ~ 3 PM
New Hope Presbyterian Church

This is a service of remembrance. It gives us a chance to remember those who have gone to be with the Lord and to encourage those who will be experiencing Christmas without loved ones. Please contact Kristin Woodring (814-323-9490) by December 6, 2026 for additional information or to include your loved one in the service.

The proposed Abiding Hope Lutheran Church 2027 budget is available by clicking here or the narthex. Please review prior to our December 13th congregational meeting where we will review and vote on this budget. Call Rick Penn at 814-737-9974 or email richardpenn58@yahoo.com with any questions.

A few overall notes:

1. Pastor's health/benefits through Portico is up 15%.
2. Budget includes a 4% pay raise for all employees.
3. After all the puts and takes, 2027 budget is ~$1000 more than 2026.

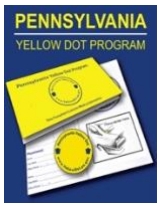
PA "Yellow Dot" Program was created to assist citizens in the "golden hour" of emergency care following a traffic crash when they may not be able to communicate themselves. Place a "Yellow dot" sticker in your vehicle's rear window to alert first responders to check your glove compartment for vital medical information to ensure proper medial attention. See Analee or Denise for your free PA "Yellow Dot" Program kit.



♬ Music Notes ♬

December begins with the Second Sunday of the Advent Season as we sing ELW Liturgical Setting #3 with organ accompaniment on December 6th. As we prepare for Christ's birth, we light the Advent candles each week and sing "Light One Candle." The Choir will provide seasonal Advent anthems on the second and fourth Sundays of Advent, and special music for Christmas Eve.

A special musical event is just around the corner, as our choir joins the choirs of Our Lady of Peace Catholic Church to present two performances of Joel Raney's **Christmas Cantata, "Love!", on Sunday, December 20th at 2:00 p.m. at Abiding Hope Church, and again on Sunday, January 3rd at 2:00 p.m. at OLP.** We hope that you can take a little time from this busy time of year to attend one or both of these beautiful holiday performances!

Our annual **Candlelight Christmas Eve Service will take place on Thursday, December 24th at 4:10 pm,** beginning with musical selections from the Choir, Janet Getson, and our Instrumental Ensemble, comprised of Pastor Karen, Cindi Reid, Howard Lyon and Paul Sontheimer. The service will conclude with traditional candle lighting as we sing "Silent Night." It is always a beautiful and moving service as we celebrate Christ's birth and spread His Light and Love throughout the church and beyond!

A **Service of Lessons and Carols** will be offered during worship December 27th, followed by our annual Epiphany celebration at our first worship service of the new year on January 3rd! We hope you enjoy the spirit and music of the holiday season!

Blessings to All and Merry Christmas!

FEED THE BIRDS? BUT – MARY SAID YES!

Those familiar with "Mary Poppins" may recall the song "Feed the Birds" about an elderly woman who sold breadcrumbs for two cents so people could feed birds that flocked outside a church. Today feeding the birds is an ethical dilemma for many. We can be happy that we are helping birds. BUT---REALLY?

There are negatives and positives for bird feeding. We know that the U.S. bird population has greatly decreased. 2019 research published in the journal ***Science;*** the bird population has reduced by 30% since 1970. If we care for creation, it's worth considering all the ways we can reduce our role in that decline. (1) Some of the decline can be attributed to climate change according to the ***National Audubon Society*** report ***"Survival by Degrees"***. (2) Some of the decline can be attributed to agricultural and other chemicals. (3) But then there are the bird feeders.

Negatives of feeding the birds (just some):

- Communal feeding can spread disease between birds and feed on the ground can get moldy. Incorrect feed can lead to digestive problems.
- Birds can attract predators – cats among others.
- Proximity to windows can lead to birds being injured or killed.
- Winter feeding can lead birds to remain in some areas during the winter, thus encouraging predators.
- The birds that swarm to feeders, such as non-native invasive House Sparrows, don't need help as much as others.

Positives of feeding the birds (just some):

- Human enjoyment without the need to leave home.
- Winter feeding can help during migrations and harsh winters.
- Perhaps it helps make up for the habitat humans have taken from birds.

It is clearly reasonable to question bird feeding. If on balance you think feeding is ok for you, it **seems reasonable to take SAFETY PRECAUTIONS** for the birds:

- Thoroughly cleaning feeders once a week, perhaps twice for hummingbird feeders.
- Cleaning up accumulated feed waste on the ground once a week.
- Installing decals or window treatments to warn birds away.
- Placing feeders near shrubbery or places they can hide from predators.
- Planting sections of the yard with PA native seedy plants for all seasons; such as spice bushes, sunflowers, golden rods, and brown-eyed Susans.

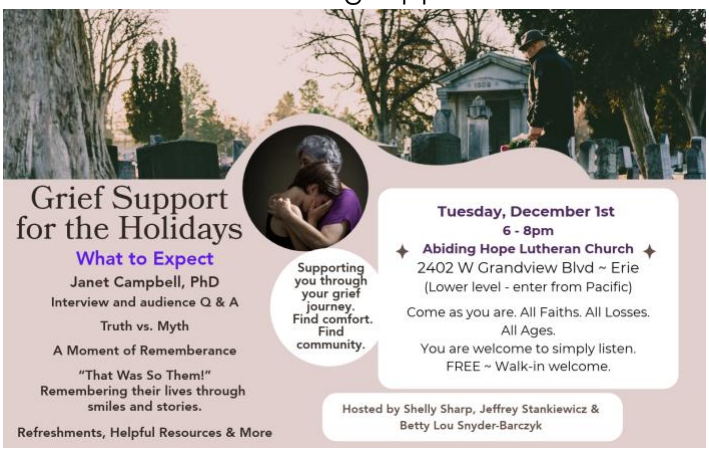
With the expert guidance of Janet Campbell, Ph.D., Shelly Sharp, Jeff Stankiewicz and Betty Lou Snyder-Barczyk will share insights and practical tools such as open discussions, grief sharing, resources and helpful handouts to help you navigate this difficult season. This event is FREE and open to individuals of ALL AGES and FAITHS seeking support.



Another Successful Service Experience!

Over 50 folks were served a delicious Sloppy Joe Dinner at Holy Trinity Lutheran Church, Erie, a week before Thanksgiving. Thirteen (13) volunteers of Abiding Hope donated their time, cookies (or both) and smiles (...and singing and dancing...) to share God's love, food, and good conversation with our neighbors in need. Thank you to everyone who made this event happen-and thank you for the Thrivent Action Team funds to purchase the supplies.

An Additional Note of Thanks: Thank you to the volunteers from Abiding Hope! We very much appreciate your presence and support. *Pastor Harbaugh*

A Note from Our Crop Walk Friends

Dear Friends,

At our CROP Board meeting several days ago our Treasurer reported on the most up-to-date total from the Walk. I'm thrilled to report that **right now we stand at $103,400 and that should go up a bit in the next month or so.** We're hoping that once the matching gifts are included, we should be right around $110,000!

Except for last year's 50th Walk, that is the greatest amount Erie CROP has ever reached. Please share that total with your team. This was truly a group effort - by walkers, coordinators, sponsors, everyone.

As we approach Thanksgiving **the CROP Board is grateful to all of you.** We thank God for all your work to help feed hungry people. You are truly a blessing.

Hope you have a wonderful Thanksgiving.
