

2019 Annual Report of the Women of the ELCA (Ladies Night Out)

All women of the congregation and their friends are invited to join us for all WELCA events. Our gatherings have evolved this past year to allow more time for fellowship and fun. **Ladies Dining Out**, a monthly “dutch-treat date” at local restaurants, gives us the opportunity to build our relationships with each other – with no agenda! We just hang-out and talk; share and care about each other.

Of course the ladies are always invited to participate in the women’s events at the synodical level (Spring and Fall conference gatherings, the annual convention at Olmsted Manor in Ludlow, PA, and the weekend women’s retreat at Lutherlyn – always a good time). Thank you to Jacque Holmberg for serving as the NWPAsynodical Women’s Organization treasurer for the past two years. Her term ends on January 31, 2020.
