

Finance Committee

Finance Committee met several times during 2019 to discuss financial matters and prepare a proposed 2020 budget to present to church council. After a couple iterations the plan was approved by council for presentation to the congregation and adoption at the December Congregational meeting. See 2020 Budget included in this Bulletin of Reports.

Some committee members and others are currently reviewing our insurance policies and comparing coverage and costs with additional companies.

We thank Bill Heider for volunteering to serve as Congregational Treasurer in 2020.

We thank the members of the audit committee for their review and recommendations for improvement.

Present members of the Committee are Mike Paris, Bill Overmoyer, Pat Wenzel, Bill Heider, Pastor Allie and John Holmberg.
