Abiding Hope Lutheran Church

November 2026

A Loving Family, Growing in Faith, Sharing the Hope...of Christ!

Thanksgiving Note from Pastor Karen

We have so much to be THANKFUL FOR... our friends and families, our church relationships, the opportunities we have to make a difference for God during these trying times of our nation...

I for one can say I am truly blessed... and Abiding Hope plays a large part in that... More than once, you have given me chances to live and grow in my faith... Life just doesn't get better than that.

But during these opening weeks of November, we have all been fed a steady diet of confusing angry messages – starting at the national levels. At first, I was angry that citizens of this nation were having trouble being civil with one another – because of political differences... But then I felt a great sadness for friends who were having trouble getting along.

Just when I was about to pull out my hair in despair, I decided to try my pastor (Bishop Papson's) advice – “You got problems?” She said... “time to check out the Psalms for some tried and true advice... maybe your stress and concern for national restoration of faith and national forgiveness – requires a few words of faith and consolation from the Master, Himself...

“The Lord is my shepherd; I have everything I need...” Psalm 23

“Though I walk in the midst of trouble, God, you preserve my life; you stretch out your hand against my enemies, and your right hand delivers me.” Psalm 138:7

Or maybe... “God is our refuge and strength, a very present help in the times of trouble. Therefore, we will not fear though the earth gives way, though the mountains be moved into the sea.... Be still and know that I am God!” Psalm 46

King David, the great author behind so many of our beloved Psalms, did not have a carefree life. He often wrote of sorrow, tears, and loneliness, but always, his words revealed deep faith – in spite of trial, trouble or tribulation. Whatever the circumstances of his times, however intense and prolonged, David trusted God.

David praised and thanked God in troubled times when he felt like celebrating or when his heart was plagued by sorrow...

King David knew that the first and best response to troubled times was to worship God—particularly with giving thanks. When things are going well, we thank the Lord! When facing troubled times, we thank the Lord!

Thankfulness begins to form when God's people press the "pause button" and take time to remember that God's mercy is always in force, His grace covers all, and for His children He will work all things together for their genuine good. All means all, including their poor choices.

We may be troubled when things don't go the way we planned. But God knows what He's doing to refine and strengthen our faith. We can grow in our appreciation for His wisdom and love by remembering that He designs all these experiences with our ultimate victory in mind. Thorns exist in the world because of sin, but God can and does use thorns in ways that bless us.

"The LORD will accomplish what concerns me; Your lovingkindness, LORD, is everlasting." (Psalm 138)

Psalm 138 is the prescription God gives us when facing troubled times –

1. Remember how good, loving, and capable God is; and
2. Worship Him with thanksgiving for all that He has done, is doing, and will do to deliver you.

As for those naysayers, God is at work in them too...who knows what loving message they may be able to carry in the years to come...

So may God bless us now and always as we seek to carry the GOSPEL in our hearts, no matter the weight of our worries or the blessings of our joy!

Happy Thanksgiving dear friends and family!

Church Council - October 13 Recap

We welcomed Cindi Reid, our new council member and Financial Secretary to her first meeting. Thankful that she is willing to serve her fellow members of Abiding Hope and add her insight to council.

- Meetings with St. Paul's Lutheran have been re-established. Abiding Hope invited to participate in Trunk or Treat
- Discussion about viewing Chosen during Lent
- Expenses are about \$3,000 less than budget
- Approved to use funds from Memorial to purchase a new vacuum for downstairs
- 2027 budget was presented and discussed. Main topic was pay increases for staff
- A motion was made and passed to give all employees a 4% raise. No raise was given last year.
- There will be a Finance Budget meeting November 22 after service. All are welcome
- Congregational meetings December 13 and January 17

Many topics based on keeping Abiding Hope's mission alive. We ask that you keep the above dates open to attend the meetings on November 22, December 13 and January 17. Each member is valued and your input crucial.

Respectfully submitted by *Analee Cree* - Council Secretary

5th Sunday World Hunger Day is November 29: Drop a check in the offering plate marked "World Hunger" any Sunday in November and help stop world hunger.

Please keep in your prayers: Sharron Sontheimer, Karen Shick, Vicki Farnsworth, Marygrace Cirillo, Mary Alice Ross, Megan Ross, Donna Graham, Larry Kozlowski, Shirley Englert, Brian & Penny Gresh, Candy & Arch Watkins, Sam Elder, Priscila Mirone, Don Morey, Joan Doehrel, Pat Kerr, Connie Kerr-Vogt, Christine Petrone, Cheryl Hicks, Ed & Jeanne Tropper, Cindy & Rich Filson, Dick & Diana Stoker, Harry & Susan Speakman, Kathy Sinnott, Maury & Linda Allen, Damian & Marcia Santabene, Don & Donna Holder and Little Library visitors.

Please contact the church office, 814-868-8685 ahadministrator@hotmail.com or Pastor Karen, pastorkaren@gmail.com at 814-881-3266, with Prayer List requests or updates.

Prayer Warriors Change of Date:

The sanctuary will be open on **Wednesday, November 11** (second week of the month instead of the third) from 1-3:00 for silent prayer and meditation for our world-wide needs. Please join us whenever you can within this timeframe, for as long as you can. We invite those who can pray from home or the workplace to also join us. As Jesus said, "For where two or three are gathered together in my name, there am I in their midst". Matthew 18:20

Little Jesus Project: While the weather is still warm enough for autumn walks, consider being an Ambassador for Christ by taking a "Little Jesus" (or more!) from the basket under the monitor in the Narthex. Leave them on trails, benches, gas pumps, ATM machines or anywhere else you can, praying for the person who will find it! Be the one who helps someone 'find a Little Jesus'!

Little Free Library: The library has enjoyed many visitors throughout the beautiful autumn days, exchanging books and enjoying time browsing through our collection of books, which are rotated frequently. We have especially had some beautiful donations of children's books from the congregation, which support our literacy efforts for elementary children. We have also had a turnover of books for young adults, which is encouraging.

As November is a special month for increased gratitude, I would like to spend a moment to express my own thankfulness for the opportunity to manage this special library at our church. I gain so much happiness from providing books to others to read and enjoy—especially children! Your encouragement and support through finances and books/educational materials is SO greatly appreciated. I would also like to express my deepest appreciation to Dave and Nancy Cuning, who keep the structure in beautiful condition. Blessings to all! — Connie

Bosco's Friends and Family: Happy to report that we raised \$100.00 through this program. Hopefully everyone had fun shopping on October 21. Great sale prices and another 25% off lightens your spirit, as well as your wallet. THANK YOU! - Analée Cree

Crop Walk: A beautiful day for a walk for a worldwide cause, hunger.

Once again, God shined on the 450 walkers who gathered at Beach One to try to stomp out worldwide hunger. I saw a walker that I worked with 50 years ago; an added bonus. A total of **\$515.00** was donated by Abiding Hope members. The food that was donated by walkers, went to the Salvation Army. Sincere thanks for your support of this cause.

Proud to represent Abiding Hope - *Analee*

Christmas at Bethesda 2026

Make a child's Christmas wish come true

This holiday season, Bethesda Lutheran Services is looking for generous hearts and holiday helpers to bring the magic of Christmas to the children and youth they serve.

Many of the more than 200 children they provide gifts for, have never experienced the joy and warmth of a true holiday celebration.

With your help, Abiding Hope can once again change that and provide them a Christmas they deserve!

Bethesda Christmas notes to remember:

1. Our Residential Youth are currently female
2. We do have boys though with our Alternative Education program and our Partial Hospitalization program
3. We have babies on our Right Start unit and are expecting a few more
4. All gifts must be unwrapped so our staff can see what is being given and check for safety concerns. No sharp objects should be given, like nail files, razors, crochet needles etc.
5. Please don't feel obligated to purchase name-brand items, our children will be happy with all presents! Gift cards also appreciated.
6. Deadline for gifts to AHLC: Wednesday, December 9th.

Thank you, Abiding Hope, for your generosity.

A Christmas at Bethesda Wish List is available in the narthex.

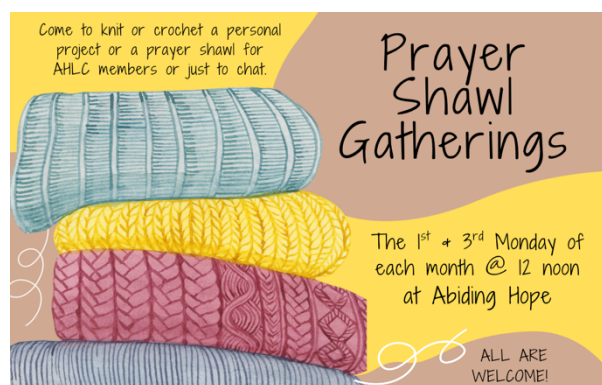

**Plan to attend a 2027 AH
Budget Question & Answer
meeting on Sunday, Nov 22
after worship.**

AHLC Income History ~ Sept 28 – Oct 28

Prayer Shawl Gatherings

Ladies meet for prayer, good conversation, knitting or crocheting shawls, prayer squares, or lap robes for the homebound. Start a new project or complete a piece you've started, but not quite finished. Experience not necessary, yarn and instruction available to all. November meetings: Monday the 2nd and 16th at 12 noon

VOTE! Tuesday, Nov. 3rd ~ God calls us to care for our neighbors and actively shape a just and compassionate society. Civic engagement, including voting and public service, is a meaningful way we live out our faith in the public sphere. The ELCA encourages everyone to engage in the political process with integrity, advocating for justice, peace, and the common good.

AHLC is once again a polling site and this year there'll be a bake sale near the lower-level voting area. We need your baked goods. See sign-up sheet in narthex.

Altar Flowers remain at \$25.00 per arrangement. Lares Flower Shoppe has closed, and Abiding Hope's altar flowers will now be purchased from Gerlach's. Sign-up sheet / request forms with additional information are on the table in the narthex.

Our giant Aloe and Spider plants have had many babies lately and that are ready for adoption. The babies are in a tote in the narthex. Please adopt and provide a good home for these tender babies.

Special thanks to Gerry and Connie Kerr Vogt for giving these plants such good care.

Thank You Notes from the Mailbox

Dear Abiding Hope Lutheran Church:

Thank you for your generous support of the mission and ministry of Evangelical Covenant Church through your gift of \$300 received in August for the German-based ministry of Stephanie and Philip Volland and family (Sheryl Williams' daughter and family). Thank you for your generosity and partnership as we join God's mission to grow more disciples in today's world.

Sloppy Joes & Cookies at Holy Trinity: VOLUNTEERS and/or COOKIES needed for the

annual Holy Trinity Sloppy Joe Dinner for the Homeless. Folks are needed to bake cookies, transport, prepare, serve, clean up and SMILE! Always a busy, fun, and meaningful evening!

Sign-up in the Narthex or see Jacque.

NOTE: All leftovers are donated to the folks at Community Shelter Services, [655 West 16 Street](#).

KAFP Report: KAFP's numbers are rising! In September we welcomed 4 new households with 13 individuals. Second Harvest continues to supply us with fresh fruits, vegetables, and eggs. We are purchasing bread items from Aldi's while Second Harvest looks for a new supplier to replace Bimbo's Bread. KAFP received a HUGE food rescue from Sam's Club. Our freezers are filled with all kinds of meat – steaks, roasts, pork roasts, briskets, chicken, salmon and more! Most of the packs of meat are family packs, so our neighbors will be getting a lot of meat.

Turkey distribution will be on November 19th. Our neighbors will be receiving a turkey and everything for the Thanksgiving dinner – including a pie. We were only allotted 59 turkeys, so anyone who signed up and is not there that day, will forfeit to someone on the waiting list. KAFP is hoping volunteers from Erie Insurance will once again volunteer to hand out the meals this year. If you would like to volunteer, please see Rich or Cindy Filson.

CREATION CARE HOLIDAY IDEAS

We will soon be celebrating Christmas and that means buying gifts and decorating. An easy way to reduce our carbon footprint is to reuse whatever we can.

Our family buys many of our gifts second hand from thrift shops, rummage sales or resale places on the internet. Reusing items from toys to clothing prevents unwanted items from enlarging the amount of garbage generated. Reusing and donating items prevents the wear and tear on our environment caused by factories that produce pollution making new products. You get more for your money! My 12-year-old granddaughter wears secondhand clothing with an emphasis on "Vintage", which she tells me is anything over 20 years old. She consults the internet to decipher the age and value of her inexpensive reused clothing and shoes! Books and the internet can be a great source of ideas for creative homemade gifts, gift wraps, and decorations. I keep a small bag ready to put the notepads, cards, calendars, pens and other items I receive from charities. It makes me feel better that someone will use them.

I enjoy reusing my small artificial Christmas tree and indoor and outdoor decorations. I enjoy reusing the family Christmas decorations that have been passed down. Some of these are now cherished by my children and grandchildren. I especially love the ornaments that the kids have made. Gathering pinecones and other natural objects can make fun Christmas decorations and ornaments with some hot glue, wire, and ribbon from the thrift shop. I pick up a few different decorations every year and when I put things away, I drop off unneeded items at our local thrift shop.

If you use a real tree, the bottom branches can be used to decorate your house. I try to plant at least one tree every year to compensate for the real trees we used. With climate change and a heating planet, shade is becoming more important.

Grab a concordance and look up 'Creation' or 'Earth'. It's obvious that our Creation is important to God, who emphasizes that he made our earth and gave it to us to care for. Romans 8:19 "the entire creation waits in eager expectation for the children of God to be revealed." As children of God, let's care for the beautiful gift of our creation! Prayer for Election Day

Everlasting God, source of all liberty, before whom every earthly ruler must bow and bend the knee, we lay our nation before you as we prepare for an election.

Breathe upon us your Spirit of wisdom and discernment. Grant all who seek public office the mind of Christ, who came not to be served but to serve, and to give his life for the freedom of the oppressed.

Hold before us those who face uncertain futures, or who have no voice in our political process. Uphold and safeguard poll workers and election officials in their work. Spare us from the crushing weight of cynicism.

Give us grace to speak courageously, but with love, without which our words are noise and we are nothing. Gather us together under the cross, where, in all of our difference, we can stand as one people, redeemed in Jesus Christ, our Savior and Lord. Amen.
